THE SENIOR CLASS OF 1952

Forestville Central School

Forestville, New York.

FOREWORD

"It's time to come to school." Many generations of school children in our village heard and heeded the call of the bell, as it pealed its message over the housetops. When its days of usefulness were over and the electric bells and clocks in our new building took over its work, soft hearted alumni placed it in its present structures, and it became a symbol of our school.

The history of the methods of getting information from one place to another is a long one. Savages beat drums; the Indian used smoke signals. Morse and Bell gave the Atlantic cable and the telephone to past generations, but it took men of the twentieth century to produce the modern miracles of radio and television. These are only goals in the long quest for things above and beyond what we have.

We have chosen television as a symbol of modern living and as a theme for our yearbook.

We of Forestville Central School live in an age of rapidly changing times. The old ideas are moving out to create room for the new ones. Among these is the television set, the symbol of the new world to be.

We, like the television set, are starting out on a new way. Behind us, our sets, our scripts, and directors have all been planned for us; now we are to plan our own. We have made mistakes and we will make mistakes, but like television, we will keep going forward, learning as we go.

It is with pride that we present this edition of The Echo. May it preserve some of the memories and leave a record of the Class of '52.

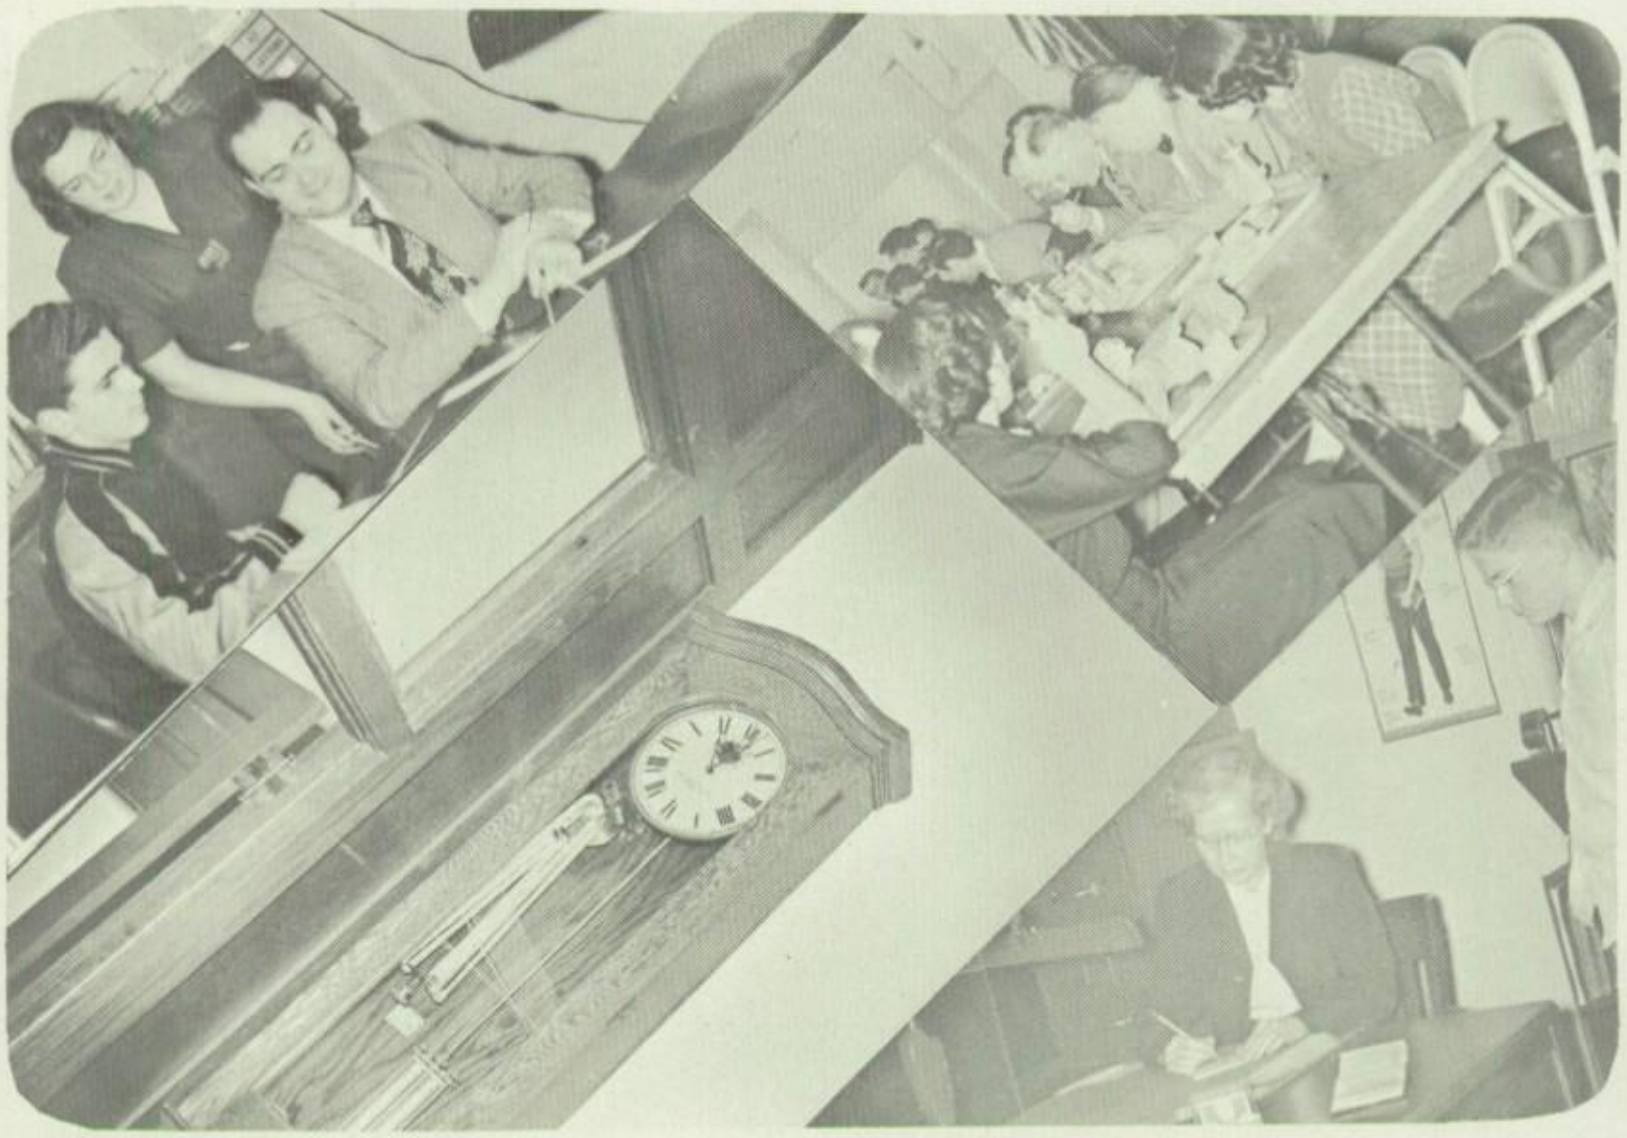
DEDICATION

Homer W. Fleming.

For the past year "Coach" has been our class advisor. We have sincerely appreciated his friendship, guidance and understanding that has made our last year happy and successful.

We, the Class of '52, express our appreciation by dedicating this edition of the Echo to the Senior Class Advisor, Mr. Fleming.

ADMINISTRATION



The office clock measures time and as the day slips away, it signals the orders for reporting in the home rooms, going to the various classes, and marking the end of the school day.

The administration of our school plans the routine of our days and fits the work that we are to cover into the time periods. When we are late, or miss the time allowed for a task, there is a bad spot and confusion results in the smooth running of the program.

There is no place where a well-timed program is needed more than on television, and anyone who does not carry out his plan to a split second causes not only confusion and misunderstanding, but loss of money as well.

PRINCIPAL

Edwin D. Kennedy.

Our State Constitution opens with these solemn words: "We the people of the State of New York, grateful to Almighty God for our Freedom, in order to secure its blessings, do establish this Constitution."

I hope that the Forestville Central School has done its part to convince the members of this Class that this fundamental belief and dependence of the American--always religious--always free people, is the best security against the dangers of these difficult days.

Being constantly confronted with the basic truths of our existance and inspired by the example of our ancestors, we hope that the work in our school has brought into focus and will accord respect for lawful authority, and that the school has fulfilled its function of supporting the training in the home, ever intensifying your love for God, for parents, and for your country.

BOARD OF EDUCATION

Mr. Grover Town
president

Mr. Edwin Butcher

Mr. Arthur Black

Mr. Ernest Donahue

Mrs. Myrtle Town

Mrs. Lucile Cooley
clerk

Mr. Russell Everhart

The members of the Board of Education welcomed a new member to their group last fall. Mr. Edwin Butcher replaced Mr. Bert Babcock who had served on the board since its formation after centralization in 1938.

During the past two years the number of buildings on the "school hill" have increased until we begin to look like a real community. For some time we have been planning to build a garage for present and future buses. This was brought to the vote of the people and passed at the Annual Meeting in 1951. All arrangements were made, and the contractors started excavating on October first.

In spite of a very early winter, work progressed satisfactorily, and the garage was accepted and occupied on February 1, 1952. After the area in front of the building has been surfaced with blacktop this summer, we will have another good looking addition to the present plant.

For the first time, we have a full time guidance teacher and a driver's training course. Both of these additions to the services of the school should have far-reaching results in student life even after leaving school.

The purchase of two fine pianos has added much to the successful functioning of the music department, and we are looking forward to another year of continued progressive improvement.

SENIORS

A diploma is proof that we have achieved a certain goal by completing a given amount of work.

In radio, a contract between an advertiser and the radio corporation certifies that certain conditions have been met.

If television did not issue contracts, there would be a great change in the entertainment it offers.

If we do not earn a diploma we will find out later that it is harder to get a good job.

This diploma, which is a symbol of what we have done, will help us in the years to come as television is a step in spreading news and entertainment. We have worked hard for our diploma and hope to continue our education and become successful. Television has been on trial for many years and is reaching toward a future of greater achievement.

SENIOR HISTORY

Our present seniors who started school here in the first grade were Wilma Wills, Virginia Grisanti, and Joan Everhart. This trio was expanded to a sextet when Jeanne Fuss, Janice Sanders, and Roger Levandoske enrolled in the second grade. Things quieted down some when Roger Levandoske left at the end of the year.

Everything was going swell until the fifth grade when Richard Franwick entered and Roger came back. In the sixth grade, the class was honored to have Maureen Kane and Grace Cummings enter. Then, at the end of the year, Janice Sanders left us to make room for Grace Dawley, Nancy McGuire, and Don Spears, who joined our class in the seventh grade. Don left in the middle of the year. This lightened the load of many at Forestville Central School.

Two of the class brains, Betty Wilkens and Eudora Cody, joined us in the eight grade. Our "Baby", Charlotte Congdon, joined us in our Freshman year. In the Sophomore year, the class was increased when Barbara Nelson, Don Workoff and Acey Sager joined the family. Then Jan Sanders and Don Spears had to come back to us. Jim Everhart and Don Richter joined us in our Junior year. This brings our total class number to 21 rugged individuals.

As Freshmen, we won second prize on our float in the Halloween Parade. We also held a Saint Patrick's Dance in March. The following class members held official positions: Eileen O'Connell, President; Lester Bernett, Vice-President; Joan Everhart, Secretary; Lorraine Arnold, Treasurer; Bert Crane and Wilma Wills, Student Council; Mr. Gerald Hall, Advisor.

When we were Sophomores, we presented a play for assembly called "She'll Be Coming Around the Mountain." In April, we held our class dance. Official positions were held by: Grace Dawley, President; Nancy McGuire, Vice-President; Wilma Wills, Secretary; Lorraine Arnold, Treasurer; Eileen O'Connell and Richard Franwick, Student Council; Gerald Eggleston, Reporter; Mr. Theodore Labuzzetta, Advisor.

We started our year as Juniors by winning first prize with our Halloween float. Our play and dance were also quite successful. We received our class rings in January. Holding official positions were: Thomas Austin, President; Janice Sanders, Vice-President; Wilma Wills, Secretary; Joan Everhart, Treasurer; Betty Wilkens and Don Workoff, Student Council; Gene Austin, Reporter; Mr. John Hagerty, Advisor.

As Seniors, we have achieved much to remember. We sold more magazines than any other class. Our play, "Seventeen is Terrific", was a huge success. The Varsity Show, the Senior Prom, and our trip to Washington, all were a huge success. Our class officers were: James Everhart, President; Betty Wilkens, Vice-President; Wilma Wills, Secretary; Joan Everhart, Treasurer; Donald Workoff and Grace Dawley, Student Council; Nancy McGuire, Reporter; Mr. H. Fleming, Advisor.

In graduating, we, the Class of 1952, have attained a goal. Television has achieved and passed many goals. It is still going on to more important ones. We also, hope to go on to greater goals. Some of our members, as some programs of television, will be known more widely than others. But we will make our mark, and we hope that with this mark, we will have made the world a better place to live in.

CLASS WILL

We, the class of 1952, after much thought and deliberation, do hereby will and bequeath to our successors such worldly goods as apertain to us.

Richard Franwick wills his ability to make jokes to Harold Lawton, who, we think, needs them.

Don Workoff wills his off-key humming to George Myatt. Maybe you'll win prizes with this too, George.

Don Spears wills his variety of girls to Ernie McGuire who just might be lonesome on Saturday nights.

Wilma Wills wills her cheering ability to Brenda Bradigan. With this and tumbling, Brenda will be able to attain great heights.

Jeanne Fuss wills her height to Darlene Ferneza who now can reach great heights without climbing.

Barbara Nelson wills her parking place to Alice Austin, who, as we understand it, is looking for one.

Betty Wilkens wills her diamond to Darlene Valentine. We are sure that will save Ray some expense.

Janice Sanders wills her hog-calling ability to her brother, Ray Sanders. They want to keep this talent in the family.

Grace Cummings wills her dancing ability to Mr. Labuzzetta. Maybe you can even teach him to do a tango, Grace.

Maureen Kane just wants to leave.

Virginia Grisanti wills her quietness to Leo Parsell because little boys should be seen and not heard.

Dorothy Philbrick leaves her back homework to Mr. Hagerty. She left it this long so it might as well be for good.

Nancy McGuire leaves her cooking ability to the Homemaking III Class. But on second thought, maybe she'll need it for future use.

Grace Dawley wills her one dimple to Mike O'Connell. We think he will be able to impress the teachers more.

Acey Sager wills her athletic ability to Carol Bock. This may help you be the best forward in basketball, Carol.

Joan Everhart has decided she needs everything she has and therefore is taking it all with her.

Don Richter leaves his Chevy to Gene White because this car knows the way to Nashville.

Roger Levandoske was going to leave his tumbling ability to Richard Lawton but then he thought he had better take it with him.

Jim Everhart gives his musical ability to Albert Franklin. Maybe you can play in the Senior play too, Albert.

Charlotte Congdon leaves her mathematical ability to Mr. Fleming because she is getting tired of seeing him use his fingers and toes.

Eudora Cody leaves her acting ability to Alice Huff. If you don't mind playing the part of a maid, Alice.

The gavel symbolizes the bringing together of a group for business and program. In television, the beginning of a new program is marked with time signals. In the classroom the noise is quieted by one or more taps of the bell on the desk.

On the television screen, they have an announcement or the sound of a character's voice that will bring our gaze to the set. Every beginning of a program is different and so it is in the classroom where each teacher has his own way to bring about order and quiet before business can begin.

The Juniors started the year right by having the school's first dance. It was a success as were the other activities that followed.

We won second prize with our Halloween float. We enjoyed arranging the float as much as we enjoyed winning the prize.

Our class rings were chosen early in the year with the hope that we would receive them before Christmas.

Our play, "A Mind of Her Own" was a wonderful hit. The cast included Bill Campbell, Rosemary Gostomski, Janet Schultz, Harold Lawton, Lorraine Sausaman, Mary Birach, June Johanson, Peggy Kidd, George Myatt, Richard Anderson, Dolores Russ, Frances Waligora, and Virginia Cardot.

Now that we've taken over the senior's activities, we're on our way to the top! Washington, here we come!!!

JUNIOR PLAY

The Junior Class presented its first real play, and what a success!!! "A Mind of Her Own" was presented the night of February 14.

The Sophomores had many ideas for the Halloween float, but many were disregarded and discarded. The committee finally decided on "The Thing" as the theme. Unfortunately, the competition this year was rather keen, and the Sophomore float failed to win any monetary prize. Prize or no prize, everyone had a lot of fun.

We presented a one-act comedy, "Feudin," which was a great success. The following students took part in our play: Gary Mlacker as Matt Bascom, Larry Crowell as Wally Wolpin, Lorna Schesky as Maw Talbot, Richard Lawton as Jude Talbot, Phyllis Austin as Betsy Bascom, Marie Tylock as June Talbot and Rita Panek as Ellie May Botts.

The Freshmen started the year off with a Bang! The first project was a float, which we entered in the Halloween Parade. Our portrayal of the "Old Woman in the Shoe" won the first prize in the competition.

On November 8, 1951, we held our Tag Day, and on November 9, the Freshman Dance with "Sadie Hawkins" as the theme. The highlight of the dance was the selection of Joe Falcone, as "Li'l Abner," and Ione Cody, as "Daisy Mae."

A one-act comedy, "Here Comes the Bride," originally scheduled for presentation on February 28, had to be postponed to a later date because of the emergency closing of the school.

As we are now completing our first year as high school students, we express the hope that we may enjoy continued success during the remaining years of school life.

Chorus Line of 1906

ORGANIZATIONS

All groups must keep records of their activities, and all must have money to meet expenses. The records are used for reference, and the money makes pleasures and necessary things possible.

We find that every television station has a core of business people trained to keep a record of all of its programs and transactions. Probably there is no organization which requires more faithful and dependable members than that of a television station.

The organizations of our school, like television, help us to broaden our interests and may lead us into a field which will help us choose a career in which we can be happy.

Our school is proud of its many organizations, and they have become as much a part of our school life as our lessons.

Every week since last September the people listed above have been working so that you might add another yearbook to your collection. We are proud of the book and hope that our readers are too. We have changed the layout of the picture pages and are using photographs on the title pages instead of drawings this year. We were able to do this as our contract allows us to use unlimited picture area without extra cost.

Thanks go to Mr. Sokol this year for his work in getting the book typed and to Mr. Labuzzetta for all of the pictures he has taken for us. We want to thank Constance Schultz for substituting on our advertising trips, and we are grateful too, for the cooperation of teachers, pupils, and janitors on picture taking days.

Tell us how you like the yearbook. Tell us the changes you would like to see in 1953--and enjoy your 1952 "ECHO".

SENIOR BAND

1st Row: E. Bemus, M. Huyck, C. Russ, V. Foster, B. Kidd, M. Kidd, D.Fancher, R. Brennan, E.Congdon, E.Kunzman, B. Bradigan, E.Crowell, J.Everhart, R. Grisanti, J.Woolley. 2nd Row: A. Wilcox, G.Dawley, G.Cummings, M.Huyck, R.Grennel R.Crowell, S.Fuss, A.Huff, W.Greiner. 3rd Row: J.Everhart, J.Reed, G.Mlacker, R. Gostomski, W. Wills, Mr. Strong.

President - James Everhart
V. Pres. - Dolores Russ
Reporter - Grace Dawley

S. Council - Virginia Grisanti
Librarians - Alice Huff
Jared Woolley

The senior band this year is composed of thirty-seven members. Ten of these members are new in the band this year. Although we lost thirteen members who had been in the organization several years, the new ones are trying hard to fill their places and to progress as they gain experience. The band this year, undoubtedly, has had the largest change in personnel and the most shifting as to instruments and parts that it has had since its organization in 1947.

During the past year the band has participated in the following activities: Halloween Parade, Christmas Program, Grade Assembly, High School Assembly, Spring Concert, Fredonia Music Festival and Memorial Day Parade. Last May at the Fredonia Music Festival, the band received an "A" rating. Of the fifteen soloists who also competed at the festival, eight received a rating of "A", and seven a rating of "B". Those receiving A's were: Jared Woolley, Richard Grisanti, Brenda Bradigan, Eugene Kunzman, Patty Russ, Grace Cummings, June Johanson, and William Campbell.

Last June several members took part in a Chautauqua County massed band of three hundred and seventy-five pieces which played at the Chautauqua Amphitheater.

Three members, Marian Huyck, Dolores Russ, and William Campbell, participated in the All State Sectional Program held at Cassadaga Valley Central early in the fall. A few members also enjoyed hearing the United States Marine Band at Jamestown last September.

JUNIOR BAND

1st Row: S.Homan, S.Van Rensselear, R.Gostomski, D.Salzman, L.Ware, R. Elman, D.Luder. 2nd Row: C. Gruber, D. Foster, P. Perkins, P. Schroeder, A. Crowell, D.Houck, Mr. Strong.

The Junior Band this year has fourteen members, of which eight are new this year. Although the band is small this year it makes up for it in spirit and pep. Each member is getting a good idea of how a march, a waltz, and an overture, etc. should be played, with the fond hope that some day before too long they will be good enough to make the senior band. We also hope, that before the end of the year, more new members will join us to help fill out the instrumentation. The Junior Band played for one or two assembly programs and took part in the Spring Concert.

F.H.A.

1st Row: D.Bouquin, P.Waxham, R.Polisoto, 2nd Row: Mrs. Wilder, G.Cummongs P.Kidd, D.Valentine, B.Nelson, A.Austin, C.Congdon, J.Fuss, W.Wills, E.Cody M.Pfleuger. 3rd Row: J.Sanders, R.Gustomski, A Sager, B.Nelson, L.Scheskey B.Kidd, P.Austin, S.Fuss, C.Deering, A.Wilcox, D.Philbrick.

The election of officers took place in September with Wilma Wills as President; Jeanne Fuss, Vice-President; Eudora Cody, Secretary; Janice Sanders, Treasurer; and Dorothy Philbrick as our Student Council Representative. We also chose Mrs. Henry Wills to be our Chapter Mother again.

One of the first activities of the year was the informal initiation of new members, followed by the formal candlelight service in the evening.

In October, we attended the F.H.A. rally at Orchard Park Central School. In November, we will always remember celebrating National F.H.A. week by collecting used comic books to aid in the fight for the crippling disease, muscular dystrophy. We are looking forward to our annual dance, a talk from former F.H.A. members, letters from foreign pen-pals, and a talk by a social worker.

F.F.A.

1st Row: G.Snyder, E.Heidt, J.Shevlin, L.Parsell, L.Langford, J.Muck, M.Snow, J.Szumigala, E.McGuire. 2nd Row: H.Mohr, R.Levandowske, R.Spears, Mr. R.Hall, D.Workoff, M.Fox, F.Payne, G.White. 3rd Row: D.Bourquin, H.Manning, A.Franklin, E.Crowell, R.Sage, E.Bemus. 4th Row: L. Crowell, W. Jackett, R. Lawton, P.White, N.White, G.Austin, G.Mlacker, R.Feinen.

The officers of the F.F.A. are: Don Workoff, President; Don Spears, Vice President; Roger Levandowske, Treasurer; Monty Fox, Student Council Representative; and Fred Payne, News Reporter. The boys from all of the agriculture classes attended the registered Holstein sale held at the Dunkirk Fairgrounds. Most of the F.F.A. boys are planning to attend the Cornell Farm and Home Week which will be held in March.

Some of the projects which we have planned for this year are: a scrap metal drive, selling seeds, and selling farm magazines. One of our long range plans is to own a barn and some land for the use of the "Ag" boys.

During the last three years quite a few boys have taken an interest in agriculture. There are now 35 members in the F.F.A.

Every Monday and Wednesday morning, the Girls Chorus meets under the direction of Mrs. Castle. This year, the Girls and Boys Chorus combined to perform a Christmas Operetta "Scrooge's Christmas". They certainly deserve a lot of credit for an excellent performance.

Last year, at the Fredonia State Festival, the Girls Chorus received an "A" rating on grade III music.

The chorus also did a "bang up job" at the Choral Spring Festival. Together with solos and ensembles from our own Anna Wilcox and our very much missed Joan Bradigan, Dianne Downer, and Anna Birach, our program was very successful.

Mrs. Castle hopes that next year she will be able to call her group a Mixed Chorus. For this year, we plan another program packed with numbers everyone will enjoy.

BOYS CHORUS

1st Row: R.Crowell, J.Woolley, W. Greiner, K. Johnson, G. Kunzman, J. Falcone
2nd Row: W. Campbell, G.Myatt, J. Everhart, N. White, A. Richter, R. Donnelly
R. Grennell, Mrs. Castle.

President. . . . . George Myatt
Student Council. . . . . Albert Richter
Secretary. . . . . Ronnie Crowell

The Boys Chorus is a very new organization. We don't have to say how much we appreciate them, especially their performance in "It Was the Night Before Christmas." We're hoping they'll have a bigger and better group, and that they will join the girls chorus next year.

Some of the numbers the boys plan to perform are: Teddy Bears Picnic, On Parade, and Jeannie with the Light Brown Hair. We certainly do plan to hear from the two male soloists namely, George Myatt and Jimmy Everhart, whose performance in the Christmas Program we'll never forget.

On October 16, we had a joint meeting with the Hi-Y and Mr. Duncan, together with the assistance of Mr. Gilbert Mosher, gave an interesting talk on Tri-Hi-Y's aims, ideals, and motto. We presented a bill at the Fredonia Assembly and sent Joan Everhart as a delegate to Albany.

During December, Christmas records were played while lunch was in session. In the future, our group wishes to have a sleigh ride, numerous speakers and movies, Silver Tea for Mothers, and a picnic to close the year. Our biggest profit came from the sale of individual pictures.

The Forestville Hi-Y Club has this year, as in years past, highly lived up to the ideals of Hi-Y--"To create, maintain and extend throughout the home, school, and community, high standards of Christian character."

This year we prepared a bill for the Fredonia Assembly to which we sent delegates. Our bill was entitled, "To strengthen the narcotics laws in relation to illegal possession and sale of narcotics." Richard Franwick represented the club at the annual Y.M.C.A. Youth in Government, at Albany.

For the advancement of co-operation among members, we have sponsored through the course of the past year, a six-team basketball league, a model airplane meet, and a model car meet. To finance our service projects, we have sponsored a dance, sold school penants and plan, in the future, to sponsor a movie and sell taffy.

STUDENT COUNCIL

The important activity of the year has been setting up the calendar and supervising assembly programs, with some member of the Student Council acting as chairman for each assembly program.

One of the most interesting programs was the one last October sponsored by the Farm Bureau Insurance Company on safe driving.

Pins were purchased for the new members of the club and numerals to add to the pins of second year members. The Student Council plans to sell tags at some future date. A committee is revising the old constitution and bringing it up to date.

While the Student Council is not a governing group for the student body, it has made suggestions through its members in relation to improving student conduct throughout school, and especially in the cafeteria.

A survey by members of the Student Council a year ago, relative to drivers training, has resulted in such a course being given now.

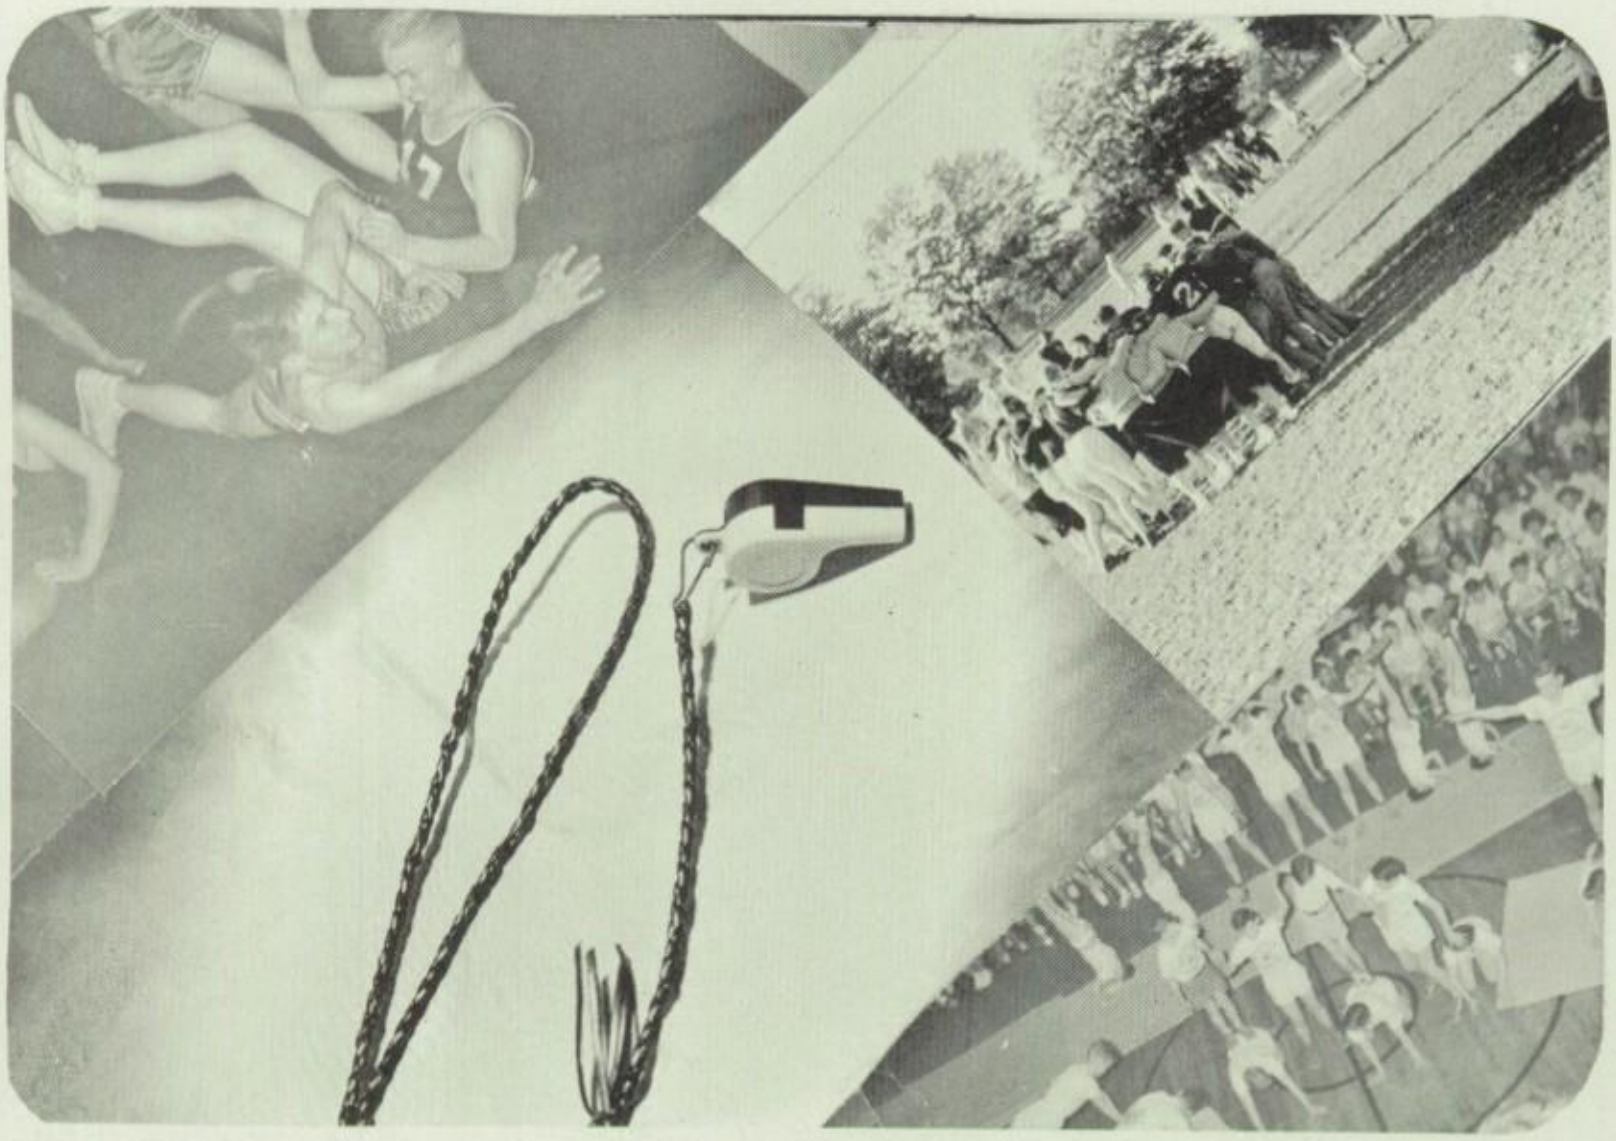
SPORTS



A minute of time may mean winning or losing a game. During gym class, the whistle brings us in line for roll call and it tells us to be quiet.

There are many sound symbols in school and on television. The buzzer for time out in a basketball game, the hissing of the steam in the radiators, the whir of the motors as the buses toil up the hill. We know a program is about to begin by the theme song and the news commentator's, "so long until tomorrow" is familiar to us.

These all remind us to play fair and square in sports and life.

Forestville High started its football season by winning its first three games. We were proceeding along on all cylinders when we ran out of gas. We lost our last two games to Pine Valley and Panama. Players who participated in their last game for Forestville were: Buck Spears, Gene Austin, Don Workoff, Fred Payne, and Roger Levandowske. Freshmen who played good ball for us and who will bear watching in the future are, Ronnie Crowell and Joe Falcone.

Our basketball schedule this year consists of eighteen league games. There are ten "Class C" schools in Chautauqua county. Having completed half of our games, Forestville has come out on top only once, beating Sherman with a score of 39-36. We hope to do much better the second half of the season. With two exceptions, our varsity team is composed of Senior boys. Fred Payne is the Captain of the team.

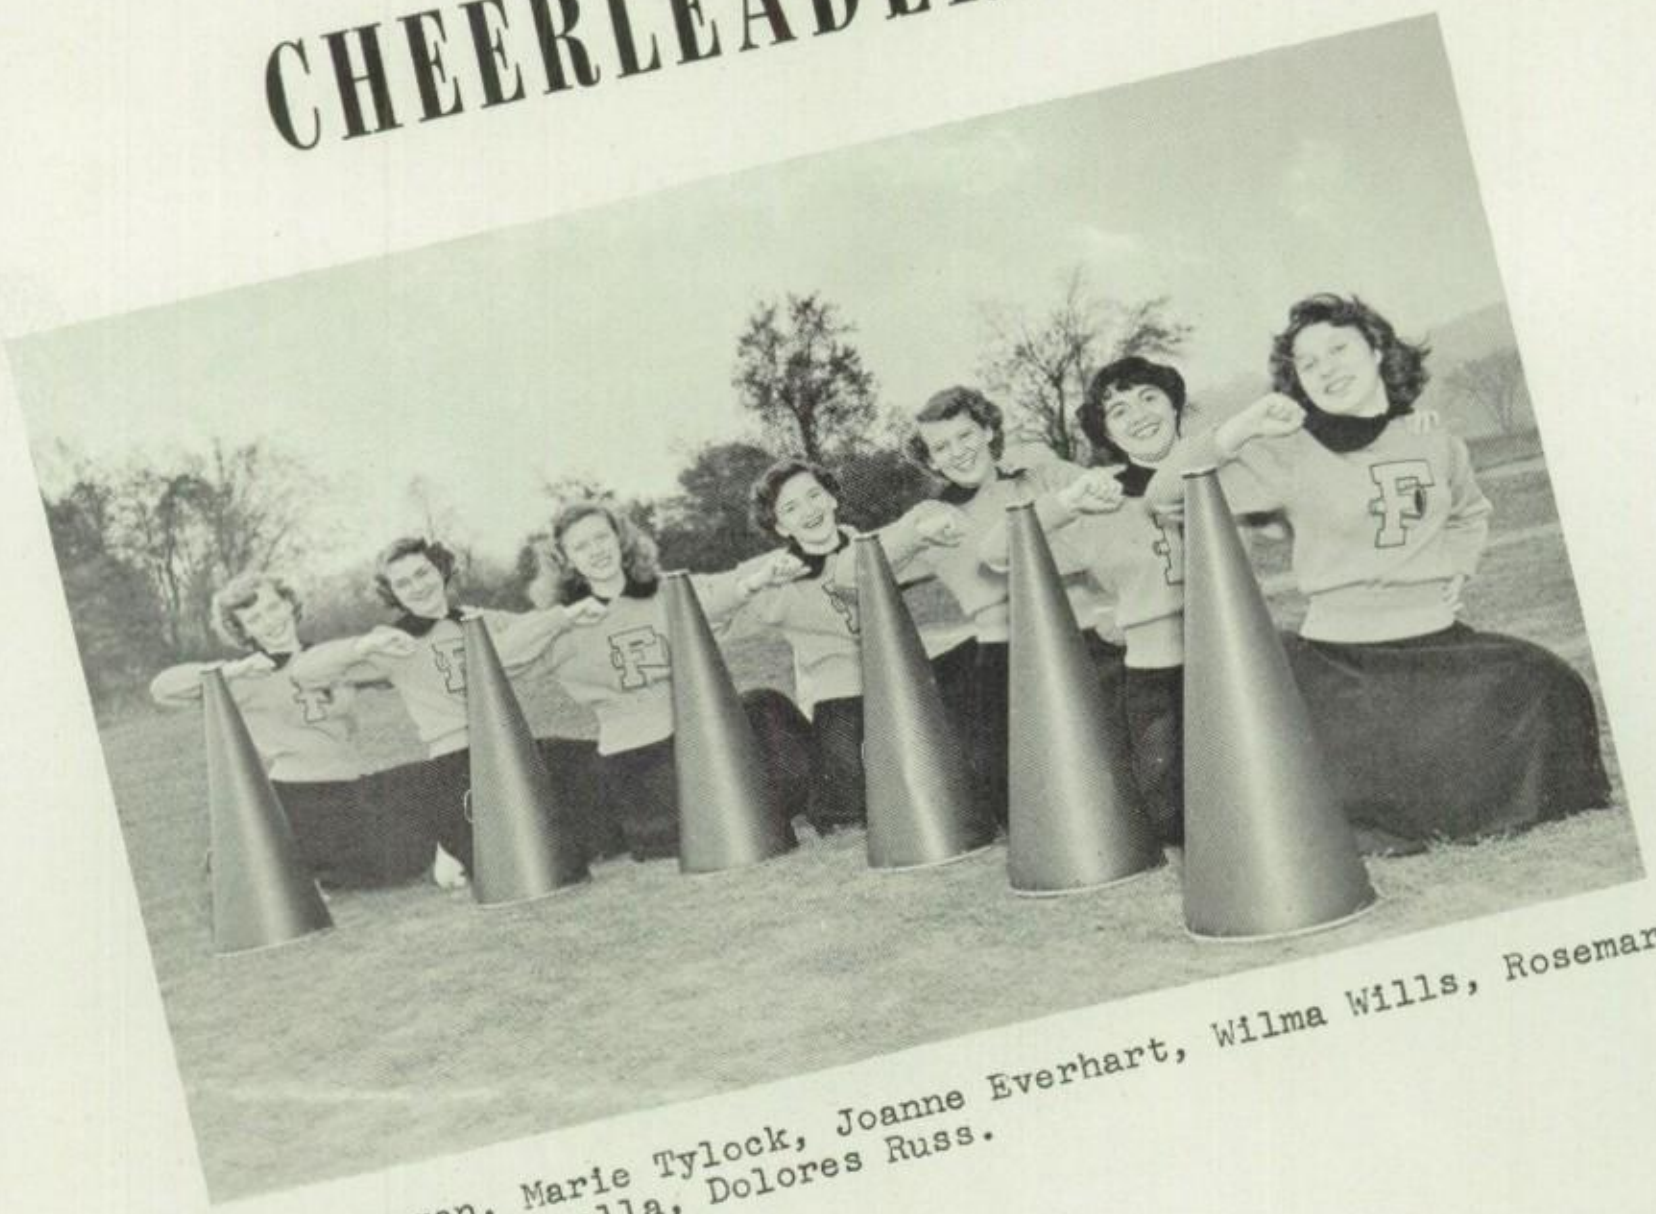
CHEERLEADERS



Lorraine Sausaman, Marie Tylock, Joanne Everhart, Wilma Wills, Rosemary Gostomski, Dolores Ciminella, Dolores Russ.

Behind the team lies the spirit of each competitive game. We, the cheerleaders, have tried to lead the spectators in vivacious cheering, as well as to set an example of proper conduct and behavior for each athletic event. We are the girls who always try to boost the morale of the team and cheer them on to victory.

Wilma Wills, Joanne Everhart, Lorraine Sausaman, Rosemary Gostomski and Marie Tylock were "returning veterans" this year. Two members who are new to the squad are Dolores Russ and Dolores Ciminella. Two alternates were also chosen, namely, Barbara Kidd and Florence Press.

We have completed a successful year under the leadership of Miss Mary Lou Langendorfer, with Wilma Wills as Captain. We have staged two pep assemblies, one for the football season and one for the basketball season. We were able to purchase large black megaphones which helped to simplify the leading of several cheers. As a group, we wish to thank Mr. Bie and Coach Sanfilippo for letting us attend all the "away" games on the bus with the team.

TUMBLING

1st Row: P.Austin, B.Kidd, P.Press, B.Bradigan, F.Press. 2nd Row: L.Parsell, D.Foster, V. Foster, J. Johanson, P. Kidd, F. Waligora, C. Schultz, D. Luder, 3rd Row: L. Ferry, J. Everhart, N. White, R. Levandowske.

This year our tumbling club got off to a late start but we aren't going to let that slow us down. The tumbling club plans to practice Monday and Wednesday mornings, first period.

The tumblers are going to take part in the annual gym exhibitions. The club would like to go to a few schools for assemblies. The members also hope to take on the new activity of tumbling between halves of the basketball games.

Our club has enlarged and now has 17 members. They are: Roger Levandowske, Jim Everhart, David Luder, Leo Parsell, Lyle Ferry, Nelson White, Connie Schultz, Barbara Kidd, Peggy Kidd, Brenda Bradigan, Frances Waligora, Pat Press, Florence Press, Dolores Foster, Virginia Foster, June Johanson, and Phyllis Austin.

ADVERTISING

Everything, except the air we breathe, has to be paid for, and in this country paper and coins are the medium of exchange. Newspapers, magazines, radio and television programs, and even this book, would not be possible if there were no people who felt it necessary to advertise.

The members of the 1952 Echo Staff express their thanks to each and everyone who gave us an ad for the "Echo." We know that those who read this book will read the ad pages and will remember those who helped support The Echo.
